I think its a mistake to charge us a yearly fee or blow off the small stations like us.. We cover 20 hours a week, 30 mile radius with this and priors. WRST is now 24 hours,365 days. Next month is new column on new labels and 1st anniversary of publication offer. Thanks to you.

To Frank Loose,
Thanx so much. Excellent music. Top of our list this

month. The art work and prop. is also very excellent. We will play Set Smart until death.

We've expanded to 20 hrs of indie all on weekends. We will make sure Set Smart gets lots of airplay.

We support you and your efforts. Do try and stay in touch (communication is it). Thanks again.

Sincerely,
Dan Malson
